

**ACHIEVING ENERGY SECURITY AND SUSTAINABLE DEVELOPMENT
THROUGH EFFICIENCY, CONSERVATION AND DIVERSITY**

AGENDA
Tuesday 29 May 2007

- 1 9:00–9:05 Welcome Address**
Chair to welcome Ministers, Official Observers and invited Guests.
- 2 9:05–9:15 Address by APEC Executive Director**
APEC Executive Director to address Ministers regarding APEC's current priorities and the place of energy in the APEC agenda.
- 3 9:15–10:00 Keynote Address by Executive Director, International Energy Agency (IEA)**
IEA Executive Director to address Ministers on global and regional energy security and sustainable development challenges and the opportunities offered by APEC–IEA collaboration (15 mins). Chair to open the floor for discussion (30 mins).
- 4 10:00–10:45 Government–Private Sector Dialogue**
Chair to invite the Energy Business Network to address Ministers on issues of concern to APEC energy industry and to report on the outcomes of the APEC Energy Business Forum (20 mins). Chair to open the floor for discussion (25 mins).
- 10:45–11:15 Morning Tea**
- 5 11:15–12:30 Promoting Clean and Efficient Energy Production & Use in the Stationary Energy Sector**
Chair to invite the APEC Energy Working Group (EWG) Lead Shepherd to identify key issues concerning:
 - the challenges facing APEC economies in meeting growing energy demand in a secure and sustainable manner;
 - the achievement of greater efficiency and diversity in the stationary energy sector: how energy efficiency in industry, buildings and commerce and cleaner power generation technologies – including renewables, clean coal, natural gas/LNG and for interested economies, nuclear technologies – may provide for more secure, diversified and sustainable systems of energy supply and use; and
 - addressing impediments to investment, facilitating cross-border trade and promoting policies and technologies towards cleaner energy and the improvement of energy efficiency in the APEC region (15 mins).Chair to open the floor for discussion (60 mins).

**ACHIEVING ENERGY SECURITY AND SUSTAINABLE DEVELOPMENT
THROUGH EFFICIENCY, CONSERVATION AND DIVERSITY**

12:30–14:00 Ministerial Lunch

Hosted by the Administrator of the Northern Territory.

6 14:00–15:15 Achieving Oil Security, with Emphasis on the Transport Energy Sector

Chair to invite the President of the Asia Pacific Energy Research Centre to identify key issues concerning:

- enhancing security of oil supply;
- the transportation sector as a key driver of oil demand in the APEC region and its implications for energy security and sustainable development;
- the achievement of greater efficiency and diversity in the transport energy sector; and
- addressing impediments to investment and promoting the development of policies and technologies to promote fuel efficient transport as well as the uptake of biofuels and other alternative transport fuels (15 mins).

Chair to open the floor for discussion (60 mins).

15:15–16:15 Ministers' Media Conference, followed by Afternoon Tea

7 16:15–16:45 Strengthening the Contribution of the EWG

Chair to invite Ministers to direct further EWG initiatives with a view to promoting broader energy cooperation and reporting to APEC Ministers and Leaders on achieving energy security and sustainable development in the APEC region.

8 16:45–17:00 Closing Remarks and Signing of Declaration

Chair reads and requests endorsement of the final Declaration and then signs on behalf of all Ministers.

17:00–17:30 Ministerial Photograph

* * * * *

19:00–22:00 Official Dinner

Hosted by the Hon Ian Macfarlane MP, Minister for Industry, Tourism & Resources.
