

POLICY DIALOGUE

At EWG16, members agreed to have “Policy Dialogue” as a standing item on the agenda of EWG meetings. In the interest of having free and open exchanges, members also agreed to have no record of the discussion and to allow only full members to be present during this item.

Topics discussed at previous meetings were:

- EWG17 – “Oil Supply and Demand Security in APEC”
- EWG18 – “The Role of Electricity Industry Reform in the APEC Region”
- EWG19 – “Energy Technology”
- EWG20 – “Renewable Energy – the Dream and Reality”
- EWG21 – “Energy Efficiency”
- EWG22 - “The Role of Nuclear Energy”

The topic agreed for EWG23 is “Rural Electrification”.

Action Proposed for the Twenty-Second Meeting

- Members to discuss the topic “Rural Electrification”.
- Members to decide on a topic for discussion at EWG24.
