

**EXPERT GROUP ON MINERALS AND ENERGY EXPLORATION AND
DEVELOPMENT'S (GEMEED) SUB-GROUP ON ENVIRONMENTAL
COOPERATION**

TERMS OF REFERENCE

Recognizing the objectives of the Manila Action Plan, which includes promoting environmentally sustainable growth, the Energy Working Group and GEMEED; and recalling the support for a sub-group on environmental cooperation at Environmental Workshop for Sustainable Development on Mining Activities (ECOW'97), hosted by Japan in October 1997; a Sub-Group on Environmental Cooperation will be established on the following basis.

A. Objectives:

1. Promote regional cooperation to mitigate the environmental effects of mining, based on the concept of sustainable development of minerals and metals, and taking into account the economic and social dimensions of environmental concerns.
2. Develop a strategy and action plan to:
 - a) establish priority issues for co-operation and technical exchange; and
 - b) facilitate Environmental Workshops and other events.
3. Promote communication among member economies.
4. Ensure that, where possible, its activities have widespread applicability within APEC economies.
5. Consistent with APEC rules and procedures, encourage the involvement of stakeholders, such as industry and local government, and consult with relevant NGOs.
6. Review its activities and evaluate their effectiveness.

B. Role:

1. Act as facilitator and promoter of issues related to environmental cooperation on

mining within APEC.

2. Recommend activities consistent with the Action Plan for approval by GEMEED.
3. Promote partnerships and identify potential sponsors and funding sources.
4. The role of the Sub-Group will be reviewed in 48months.

C. Organization:

1. The Sub-Group will be formed and managed under the auspices of the GEMEED.
2. The Sub-Group will consist of one representative from each interested member economy.
3. Decisions and recommendations to GEMEED will be made by consensus.
4. The Secretariat of the Sub-Group will be based in Japan, at the following address:
