

**JOINT TRANSPORTATION & ENERGY MINISTERIAL CONFERENCE*****PROVISIONAL AGENDA***

September 13, 2011

San Francisco, California – Westin St. Francis San Francisco

**12 September 2011 (Monday)****WELCOME RECEPTION – TRANSPORTATION AND ENERGY MINISTERS**

6:00 p.m. – 9:00 p.m.

Welcome Reception for the Transportation and Energy Ministerial Conference and the Transportation Ministers Meeting. Held at the California Academy of Sciences, San Francisco. Sponsored by the APEC National Host Committee.

**13 September 2011 (Tuesday)****TRANSPORTATION & ENERGY MINISTERIAL CONFERENCE*****A Public-Private Dialogue****Westin St. Francis San Francisco**Energy and Transportation Ministers +8 and invited guests****Theme: Moving APEC towards an Energy-Efficient, Sustainable, Low-Carbon Transport Future***

8:00 a.m. – 8:30 a.m.

**Introduction:**

- United States TBD

**Welcome Keynote: (5 minutes)**

- California Governor Jerry BROWN (invited)

**Opening Keynote Addresses: (25 minutes)**

- U.S. Secretary of Transportation, Ray LAHOOD, offers remarks.
- U.S. Secretary of Energy, Steven CHU, offers remarks.

Open Press (TBD)

8:30 a.m. – 9:30 a.m.

**PUBLIC-PRIVATE ROUNDTABLE 1:  
VISION FOR STRENGTHENING TRANSPORTATION'S ROLE IN A  
CLEAN-ENERGY FUTURE**

*Speakers will present holistic views of how various renewable energy, energy efficiency and urban planning policies and tools can be used to move the APEC region towards a low-energy, low-carbon, sustainable transport future. The discussion will focus on fuel efficiency and fuel switching measures to cut the region's reliance on oil imports and reduce the region's carbon emissions.*

## **KICK-OFF SPEAKERS**

University of California at Davis – Daniel SPERLING, Director, Institute of Transportation Studies  
California Air Resources Board – Mary NICHOLS, Chair (TBC)

## **LEAD-OFF COMMENTATORS**

### **GOVERNMENT**

Singapore – LUI Tuck Yew, Minister of Sustainable Development and Land Transport  
Japan – Banri KAIEDA, Minister of Economy, Trade and Industry (METI)  
Korea – Hee-Kuk KIM, Vice Minister of Land, Transport and Maritime Affairs  
Philippines – Jose Rene D. ALMENDRAS, Secretary of Energy  
Russia – Talyat ALIEV, Energy Head of Delegation  
Canada – Joe OLIVER, Minister of Natural Resources  
Mexico – José Antonio MEADE Kuribreña, Secretary of Energy

### **PRIVATE SECTOR/MUNICIPAL/NGO**

American Automotive Policy Council (AAPC) – Governor Matt BLUNT, President (APEC Auto Dialogue)  
NBR – Mikkal HERBERG, Research Director, Energy Security Program, National Bureau of Asian Research  
– Report on Energy Security Policy Roundtable hosted by the National Center for APEC on September 12

9:30 a.m. – 10:45 a.m.

### **PUBLIC-PRIVATE ROUNDTABLE 2:**

#### **DEVELOPING ENERGY-EFFICIENT TRANSPORT SYSTEMS FOR LIVABLE LOW-CARBON COMMUNITIES**

*Low-carbon communities are being developed throughout the APEC region with a wide range of experience to share. Transportation-related aspects of livability will be discussed, such as Transit-Oriented Development (TOD), expansion of Bus Rapid Transit (BRT) and mass transit corridors, and development of bike paths and walkways. Potential for livable communities to reduce energy use and carbon emissions will be highlighted.*

## **KICK-OFF SPEAKERS**

San Francisco Metropolitan Planning Commission – Steve HEMINGER, Executive Director  
APERC – Kenji KOBAYASHI, President, Asia Pacific Energy Research Centre

## **LEAD-OFF COMMENTATORS**

### **GOVERNMENT**

Indonesia – Fredy NUMBERI, Minister of Transportation  
Japan – Banri KAIEDA, Minister of Economy, Trade and Industry (METI)  
Chinese Taipei – MAO Chi-Kuo, Minister of Transportation and Communication  
Thailand – Chamroon Tanpaisalkit, Deputy Permanent Secretary for Transport and Communications  
Viet Nam – Vu Huy HOANG, Minister of Industry and Trade

### **PRIVATE SECTOR/MUNICIPAL/NGO**

Japan – Masaki OGATA – Vice Chairman, JR East  
Japan – Takashi HATCHOJI – Board Director, Hitachi, Ltd. and Chairman, Hitachi America, Ltd.  
United States – American Public Transportation Association – Arthur GUZZETTI, Vice President, Policy

10:45 a.m. – 11:15 a.m.

Coffee Break and Group Photo

11:15 a.m. – 12:30 p.m.

**PUBLIC-PRIVATE ROUNDTABLE 3:**  
**POWERING LOW-CARBON TRANSPORT –**  
**ELECTRICITY, BIOFUELS AND NATURAL GAS**

*Participants will identify opportunities for the development and promotion of environmentally sustainable biofuels, natural gas and electric drive vehicles to reduce reliance on petroleum fuel for transport. They will also note key barriers to the expanded use of biofuels, gas and electric drive vehicles and necessary fueling infrastructure and suggest strategies for overcoming these barriers.*

**KICK-OFF SPEAKERS**

U.S. Council for Automotive Research (USCAR) – Steve ZIMMER, Executive Director  
National Resources Defense Council – Simon MUI, Electric Vehicle and Clean Fuels Lead

**LEAD-OFF COMMENTATORS**

**GOVERNMENT**

Canada – Joe OLIVER, Minister of Natural Resources  
China – WU Yin, Vice Administrator, National Energy Administration  
Indonesia – Darwin ZAHEDY-SALEH, Minister of Energy and Natural Resources  
Philippines – Jose Rene D. ALMENDRAS, Secretary of Energy  
Chinese Taipei – Yen-Shiang SHIH, Minister of Economic Affairs  
United States – Randy Babbitt, Administrator, Federal Aviation Administration  
United States – David Strickland – Administrator, National Highway Traffic Safety Administration (TBC)

**PRIVATE SECTOR/MUNICIPAL/NGO**

Better Place Japan – Kiyotaka FUJII, President  
Toyota USA – Bill REINERT, National Manager of Advanced Technology  
Ford – John VIERA, Director, Sustainability and Vehicle Environmental Matters  
Boeing – Billy GLOVER, Managing Director, Environmental Strategy, Boeing Commercial Airplanes  
Celanese Corporation – Sam PARK, VP New Business Development, Advanced Fuel Technologies  
Solazyme – Harrison DILLON, President and Chief Technology Officer

12:30 p.m. – 1:45 p.m.

**LUNCHEON**

- Introduction: Under Secretary of State Robert HORMATS
- Presentation of ASPIRE Award: Secretary Steven CHU
- Introduction: California Host Committee
- Keynote Address: Shai AGASSI, CEO, Better Place

1:45 p.m. – 3:00 p.m.

**PUBLIC-PRIVATE ROUNDTABLE 4:**  
**GREENING THE SUPPLY CHAIN –**  
**ENERGY-EFFICIENT FREIGHT TRANSPORTATION**

*Many businesses in the APEC-region are reducing their energy costs and carbon footprints through systematic efforts to improve their freight logistics and shift from transport by trucks to less energy-intensive transport modes like ship, barge and rail. There has also been a move toward increased use of clean, efficient hybrid-electric trucks. This session will explore recent initiatives and best practices for innovative energy efficient freight transport.*

**KICK-OFF SPEAKERS**

GE – Lorenzo SIMONELLI, President and CEO, GE Transportation  
Fedex – Mike DUCKER, CEO and Executive VP, Federal Express

**LEAD-OFF COMMENTATORS**

**GOVERNMENT**

United States – Secretary Ray LAHOOD  
Viet Nam – Vu Huy HOANG, Minister of Industry and Trade

**PRIVATE SECTOR/MUNICIPAL/NGO**

CALSTART – John BOESEL, CEO and President (TBC)  
USS-POSCO – Michael OBERMIRE, Director, Business Planning and Customer Service  
NTELX – Rob QUARTEL, Chairman and CEO

3:00 p.m. – 3:30 p.m.

**PUTTING WORDS INTO ACTION:**

*Ministers' Energy and Transport Action Agenda is Presented*

- Closing Remarks – Key Points from the Public-Private Dialogue
  - Actions to promote livable communities
  - Actions to promote low carbon transport
  - Actions for energy-efficient freight transport
- Overview for the Evening Event at FedEx

3:30 p.m.

**ADJOURNMENT**

**Evening Event: INNOVATIVE TECHNOLOGIES IN SUSTAINABLE TRANSPORTATION**

- 3:30 p.m. Attendees gather in lobby of Westin St-Francis. *Please BRING PASSPORTS.*
- 3:45 p.m. – 4:00 p.m. Bus transport to San Francisco Ferry Building. *PASSPORT CHECK.*
- 4:15 p.m. – 4:45 p.m. Board ferry – Red & White Fleet – Gate B (refreshments on board).
- 5:00 p.m. SHARP! **Depart:** Red & White debarks *PROMPTLY* from Ferry Building for Alameda.
- 5:30 p.m. Red & White Docks at Harbor Bay Ferry Terminal, Alameda. Fuel cell bus transports guests to FedEx field, Oakland. *SECURITY PASSPORT CHECK.*
- 6:00 p.m. – 8:30 p.m. **Event:** Guests view sustainable transport technologies and practices at the FedEx solar-powered hub, including facilities for freight logistics at the hub, next-generation aircraft, and electric-drive vehicles from the APEC region. Hors d'oeuvres are served from 6:00 p.m., heavier food from 6:45 p.m.
- 8:30 p.m. – 9:00 p.m. Guests have staggered departures back to Hyatt or Westin (30 minute ride). Optional tour of hydrogen fueling station for those who are interested.
